

Center for Career Development at Dartmouth Health

Dr. Grossman Laboratory Workshop

July 8th , 2025

Dartmouth Health is...

- ✓ A **community** of people **caring for people**
- ✓ New Hampshire's **largest** employer! We have over **18,000 employees** caring for **1.9 million patients** across the system
- ✓ **Level 1 Trauma** Center in Lebanon, 6 community hospitals, NH & VT Visiting Nurse & Hospice, and over 24 outpatient clinics across NH & VT
- ✓ A place of **learning** – an **academic health system committed** to training and development at all levels
- ✓ Home to the Dartmouth Hitchcock Advanced Response Team (**DHART**), **Dartmouth Health Children's** - NH's only children's hospital, and **Dartmouth Cancer Center** - one of only 57 comprehensive cancer centers in the nation
- ✓ A **place of caring** - where at any moment, someone you pass may be having the best or worst day of their lives
